# The COOL BABY 酷豆丁

## COMPANY PROFILE

Anhui coolbaby science & technology development corp is one of the China's leading juvenile products manufacturers which specializes in designing, manufacturing and marketing all kinds of high quality durable baby products for over 11 years with customers mainly in the USA, Europe, Middle east, South America and other Asia pacific regions.

With strong R&D capability plus sufficient certificated manufacturing facilities,we supply our customers worldwide with safe, innovative products and professional services. By minimizing product development time and production leadtime,we help our customers meet the ever-changing market demand, transform the concept of new products design into reality and launch them into the market on time.

Welcome new and our old customers to contact us for future business relationships and mutual success!

### Why Choose Us

#### Management

Professional R&D team to support OEM & ODM,experienced staff in production management, engineering and marketing. Strong technical support and complete production quality guarantee system.

#### Target

China's dominating juvenile products manufacturer & distributor. World's leading manufacturing partner of juvenile products.

#### Mission

Keep on developing new products to meet the ever-growing needs of our customers. All of our products can be customized according to the requirements of our customers.

#### Vision

Designed to provide maximum safe & comfortable ride for children, made for easy and convenient use for parents.

# The COOL BABY 酷豆丁

## QUALIFICATION

### Industrial Qualifications

**Designed with fashion, founded with love.**

Cool Baby is an emerging brand of baby products stands for love and ingenuity. Carried out of affection and necessity, we recongize that modern parents need durable yet fashion baby products that keep their babies happpy, clean and cozy, while fitting into their contemporary, everyday lifestyles.
