COMPANY INFO

Changsha Kotto Glass Industrial Co Ltd. Was established in 2003 and is a professional supplier of household glassware in China. We engaged in all kinds of daily use of glassware, including glass, glass cup, glass jar, glass mug, glass jug, glass bowl, glass candy jar, glass candlestick, etc.

As a result of our product variety, good quality, reasonable price, novel styles, so we and many countries and regions, merchants established a long-term and stable trade relations, products are exported to Middle East, Europe, America, South America and Asia, etc.

With 14 years of foreign trade experience, we have formed a mature and efficient team, excellent sales team, and able to provide the best service to customers. The professional design team can not only provide the applique and design, but also develop new glass products according to the customer's design requirements. Be responsible for the inspection team and ensure that all products are strictly inspected before delivery. The most important thing is that we maintain a strong cooperative relationship with most glass factories in China. And with a large warehouse of more than 1,000 square meters, most popular glass products can be delivered quickly in our warehouse.
