11.1v 1000mAh Li-po battery pack
3.7v 1000mAh Li-po batteryX3
Allow 15C discharge
High performance,high stability
USB charging
Allow to be used as an emergency power bank to charge mobile phones

30 X 17mm large LCD digital display
Display the battery residual capacity
Display the switching air pressure unit

Battery button+indicate light, alert residual capacity

Adapter for different valve
All accessories store together

Tiny size, light, portable, easy to use
Size: ϕ 55*221mm
Weight: 400g
