

Mr. Hincley, You have been
saying to me about G. P. Ballou
who owns our school lot
for the wife and daughter who
were boarding here at the time of
the earthquake and I have been
unable to get any thing from
them and yet say David's letter
is closed. I understand from an
older party that the loss had
not been paying business and is
now working for the party he
understand that their house in
Albany is in the wife's name
now what can be done with
David's note on trying it but
that way to raise a bondbill?
