Our privately-owned company is the largest specialized enterprise in North China producing fishing bags, rod bags, back packs, business bags, and other camping, travel and hunting accessories.

We were established in 1995, and have quickly been able to develop a significant presence in the international market. At the moment, ninety percent of our products are exported overseas. We founded our new company named Long Yuan Tourist Goods Co., Ltd with independent import and export right in 2003. And in 2008, we passed ISO9001:2000 Standard Certificate and our logo 'LUCKY DRAGON' was given the title of famous logo of Hebei province, China by government.

Our two thousand square meter workshop is equipped with 10 production lines and more than 280 sets of machinery, operated by 330 employees. Main products include fishing bags, rod bags, fishing chairs, knapsacks, fashion bags, business bags, tents, fishing vests, hunting and outdoor products.

We look on customers as our god; act strictly according to the request of customers. Honesty and sincerity is our soul. 'High quality product, excellent after-sales service and cheap prices' are our aim, which is also the key that we have achieved competitive superiority. Besides, we have other advantages: advanced equipment, perfect mastery of quality, professional designer, skilled worker. We will continue to develop new products and expand our market share, making our products famous around the world.

Our dominance:

◆ We near Beijing international airport and Tianjin seaport, only two hours we can arrive the two places, could confirm the sample promptly and delivery the merchandise in time.

◆ We have professional work man produce the OEM products for you, supply our customer high quality products.

Please contact us if you are interested in any of our products, or would like any more information. We look forward to receiving your correspondence.

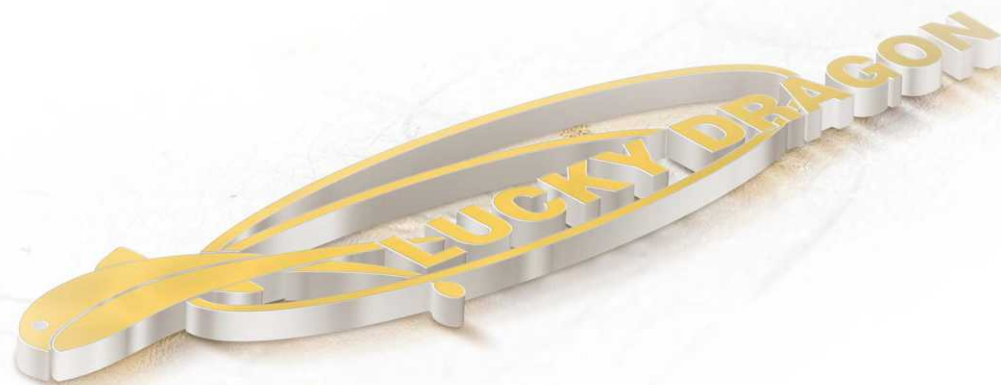

TO be the professional manufacture is our persistent aim.
